Sight Singing 1

(do-sol)

Sight Singing

Use each of the lines in its entirety, or bar by bar, as an sight singing exercise.

(Demonstrate for the choristers how they will do the exercise.)

Count aloud a bar of 4/4 time before you begin. Play only *do* on the piano;

have the choristers sing the bar of music exactly in rhythm on the correct *solfege* syllable, with no additional help from the piano; continue until the line is completed.

You may use fixed do (c is always *do*), moveable do (key tonic is *do*) or scale step numbers.
